This is taking place on **11th July**. Please see the details for parents/carers, as parents are requested to register to an online Parent Portal, and to opt out if they do not wish their child to be screened.

School Nursing Service
Year R Vision Screening 2024 / 2025
Parent / Carer Information

Dear Parents/Carers of Year R

The Vision Screening Programme

We would like to invite all parents/carers of children in Year R to register with the SchoolScreener Parent Portal to find out more about the Vision Screening programme. By doing so, you will have access to your child's vision screening results and other communications from the School Nursing Team. The results will be available on the Parent Portal afterwards, unless you have **opted out**. You will need to register with the parent portal to **opt-out** of the programme (or see contact details below).

All communication will be displayed in the portal and can be downloaded or viewed instantly making it easy to receive and retrieve information quickly and easily. You will be able to withdraw (**opt-out**) your child from the programme should you wish to, but still be able to access information, support, and advice.

To register, please click the link below:
<https://bu043.schoolscreener.com/Portal/R/Buckinghamshire/p/BH325/150676>

Parents/Carers must opt-out of the Vision screening by registering with the Parent Portal. **If you do not register with the parent portal your child may still be screened. Follow the portal instructions clearly and CLICK SUBMIT at least 48 hours before our visit.**

Dental Survey - Buckinghamshire Council are asking parents/carers about **dental health** for children in Year R to Year 6. [buckinghamshire.gov.uk/dental-health](https://www.buckinghamshire.gov.uk/dental-health). By answering these questions accurately, you can help us to highlight any areas of children's dental health that need to be addressed.

Be Healthy Bucks has a range of support available to you and your child to encourage healthier changes. They have online and face to face sessions to support long term changes within the home whilst covering topics like food label decoding, healthy swaps, physical activity and much more. The sessions are great fun and families really feel the benefits! Simply register online at phb.maximusuk.co.uk/child-weight-management/ and get support soon.
