Year 2
Spring 2

English	Books	Mathematics
<p>In English in Spring 2, pupils will be writing information texts on nocturnal animals, writing a character flaw story based on The Enormous Crocodile, and writing a recount based on their school trip to Cadbury World. We will link to our trip by reading 'Charlie and the Chocolate factory' as our end of day read.</p>	<p>Charlie and the Chocolate Factory</p> <p>The Twits</p> <p>The Enormous Crocodile.</p> <p>The Hodgeheg</p>	<p>This half term, we will be learning about length and height. This will involve the practical skill of measuring using a ruler and scales. We will think about the different units of measure and what they are used for. We will then move on to learning about mass, capacity and temperature.</p>
Science	History	
	<p>Queen Victoria: how did Britain change during her lifetime? We will be learning about Queen Victoria's early life, Victorian society including the class system and what this meant in terms of how people lived and worked. We will focus on the jobs that children from the lower classes might have had and on Victorian factories. We will link our trip to Cadbury World to the Victorians by attending a Victorian talk and thinking about how Cadbury treated his workers.</p>	
Religious Education	Computing	DT
<p>We shall be looking at what a prophet is and how it might feel to be one. We will look at different prophets across different religions.</p>	<p>In computing, we will be introducing Word processing and learning to use it. This will also require knowledge of a keyboard and how to use a mouse pad. The children will learn basic skills such as changing font and copying and pasting a picture.</p>	<p>In DT, the children will be thinking about what makes structures strong and stable. They will experiment with different shapes using playdough and work towards build a chair for Baby bear using paper alone which they will test.</p>
