

Hughenden Primary School

Working together, Empowering Lives, Enriching Minds

5th February 2019

Dear Y4, 5 & 6 parents,

As part of our mastery led curriculum in mathematics that focuses on multiple approaches for the teaching of concepts we have found another opportunity with the Quantum Theatre Company.

The Half Pint kid is an exciting tale mathematical mayhem and dirty dealings that teaches concepts such as add long multiplication, the adding and subtracting of fractions with different denominators and also multiply fractions as well as converting decimals and percentages into fractions and vice versa, through the setting of the Wild, Wild West.

This fabulous production will be rolling into Hughenden Primary on Friday 8th February 2019. Although we have once again secured this performance at a significantly reduced rate, we kindly ask for a voluntary contribution of £3.50 per child to help cover the costs of this brilliant opportunity.

Please indicate below your consent for your child to attend the performance and enclose the voluntary contribution.

Many thanks in advance.

Best wishes,

Jonathan Meatyard (Year 6), Heather Kittler (Year 5) & Jackie Churchman (Y4)
