

**The Tickle Monster by Lorene Farrugia  
Book Tour – June and July 2016**

My name is Lorene Farrugia and I am a local author who has just published her very first children's picture book called The Tickle Monster. I am currently touring local schools, pre-schools and nurseries and will be visiting your child's school/nursery to talk to them about The Tickle Monster, as well as do a live reading of the book.

The Tickle Monster is the first book in the Monster Wood book series and following on from its success, the second book of the series is currently in production; with an anticipated release date of June 2016.

The Tickle Monster is also available to buy on Amazon and is currently available in the Chesham and High Wycombe branches of Waterstones.
