Fantastic Fete at Hughenden

Last week we had a brilliant time at our school fete. We had a dozens of stalls to make it even more fantastic including ~~candy~~ a body shop and a wine shop.

To kick it off the whole school joined in with songs that brought many a tear to the eye including: Big Sing up Mambo, ~~ambawouli~~ Jambawouli and Reach for the Sky where we had two brilliant soloists eg Harry Watts and Davichi.

Then the fair was up and running we had dancers and kick boxing and even karate demonstrations in our main ring. On the outside we had lots of fun games stalls as well like: Beat the goalie, ~~fling~~ fling out musical instruments and even a braiding stall.

We ~~all~~ also had lots of food stalls like a candyfloss machine, a barbeque and even a home-made food stall. To end all this there was a big raffle for all the gifts donated to us. But to round this all off I would like to say thank you to the PTA who put all of this together.
So thank you

Mr. Smith

Hughenden fun fete

At our hughenden fun fete we had lot of fun activities like there was a djs & a cotton candy machine, singing and there was even a henna. And there were also bolly wood dancers and a beat the goal and a braiding stall. In total there were around 19 or 17 stalls.

There were also lots of songs that we sang like reach for the sky, Mrs, hey mr and Miller, Jamie Mama and Jambaulie and the people that we helping were some of the mums and then did glitter tattoos but my favort stall was the bracelet stall because ~~you are all~~ you can make your own for friends also Tilly made up friendship bracelets for me, Eva, Lottie and Emily.

Are ~~so~~ classes made Oydotos wich means gods eye they are very easy to make once you get the hang of it.

Fabulous Fun Fate at Hughenden

Last weekend at Hughenden Primary School everyone had a blast! every ^{other} year our school celebrates the Summer by having a fete. At the beginning all of the school pupils gathered around and we sang songs such as the following:

- Higher and Higher
- Jai Ho
- big sing up mambo
- and many more

Once we had sang all of the songs we were allowed to wander around (and go to stalls. There was about a dozen of them.) One of my favourite parts was when I took part in best the goaly howler since I only scored 1 out of 3 I didn't get my name in for the whycome wanderers raffle.

But the whole fair led up to the last part where they were announcing all of the raffle winners. It was intense for everyone. This was probably the best fair I've ever been to!

On Sunday the 7 of July I went to the Summer Fete. What I did there was I ~~did~~ ~~roll~~ roll a six on the dice so I can get a prize. On my second go I rolled a six and I got a prize which was a devil high-lighter and some Maribos and 1 man.

After roll a six I went over to do Beat the ~~Goalie~~ Goalie. I paid the money to have a turn then I kicked the ball and I scored all 3 goals! For my prize I got to go in the Raffle and I got to get some Halloween Maribow sweets. If you get picked in the Raffle you get 2 tickets to go to the amusement park.

~~After~~ After doing beat the goalie I went over across the field to fishing the ducks. I paid one pound to have a row. So I grabbed a hook and tried to ~~catch~~ ~~catch~~ ~~catch~~ a fish. It took me ~~to~~ about 3 mins ^{each} to catch one. My prize was a strawberry mowman.

^{canon}
~~After~~ After finishing the ducks I went over to Tin Can throw. Tin Can throw is when you hit cans with a hard and heavy ball. I almost hit the can. But But I didn't get a prize because I didn't ~~hit~~ ~~hit~~ hit any down.

Fabulous Fun at the Fete

Last week, on the 7th Sunday July The PTA organised a fete in ~~the~~ ^{at} Hughenden Primary School which everyone was sure to enjoy. There ~~was~~ ^{were} a variety of stalls including: beat the goalie (not with sticks!), a barbecue grill stall (with the most delicious hot dogs), a cotton candy stall etc.

The PTA ~~the~~ ^{did} the fete to raise money for ~~the~~ ^{Hughenden} Primary School ~~to~~ ^{to} buy more equipment for things like sports equipment. They ~~also~~ ^{had} to hire a few stalls to do this and some other groups. ~~the~~ ^{eg}

Overall I think the fete was a great success and ~~we~~ ^{we} can't wait for the next one with all the dance displays (which some teachers also got involved in!)

The Hughenden Primary school also got involved and everyone sang songs, they were: Big Sing Up Mamba, Higher and Higher etc.

The Fantastic Fete

Last Sunday at Hughenden primary School there was placed an amazing Fete. It had dozens of stalls surrounding the middle of the field, where there was the whole school singing 3 songs - Jamaali, Big Sing up mums, Higher and high! The quere sang 2 more songs which were Mr Miller and Jenemamma.

At the bottom of the playground there was placed a burger and a hot-dog stand along with a candy-glass stall. My favourite stall was the hair feather stall because you could pick any ^{colour} ~~stall~~ you want, I picked blue and purple! There was even a hana stall right next to the body shop stall. At the body shop stall you were asked to try some body butter which would make your skin Super Smooth.

All the prizes were reduced!

School fete

At the school we had lots of fun things to. There was lots of Raffles and I did two Raffles and I won a baby scrub and some shower soap. There was also a food store a drink store and there was a store that did a hat and a store that did lots of bracelets and earrings and I brought some earrings and bracelets for my friends: Ava, Eva, Lottie, Emily and Pearl. They also did streak with tuttos and feathers that they put in your hair and to get that done.
