

S4K Home Club

Following our letter to parents regarding Sport4Kids taking over the wraparound care provision at Hughenden Primary School last week we have had many questions and queries and thought it may help to send out a little more information answering the most common questions.

Who are Sport4Kids?

All the children at Hughenden Primary School will have been taught by the Sport4Kids staff in the last year or two, we have worked with the school for many years providing breakfast, lunch after school and PE sessions. The Sport4Kids team have been providing the breakfast club and supporting the school throughout lockdown, we have worked alongside the school staff to provide a safe and fun environment for the pupils in a turbulent time and have full Covid19 policies and procedures in place.

My children knew the Quackers Staff and had settled well

We will be staffing the afterschool club with a combination of both the Sports4Kids staff that are known to the pupils (Coach David, Alex, Tanya and Mike) whilst retaining some of the staff who worked for Quackers so there will be plenty of friendly faces.

What is the timetable?

The S4K Breakfast Club - Pupils will have breakfast (food options later), help tidy up and take part in a gentle and fun exercise or sport to wake them up and energise them before going their class teachers for the school day.

The S4K Home Club - An example breakdown of the session is as follows:

Arrival, Register, Snack & Free Play, Physical Well-Being (Sport Session), Break, Well-Being, Tidy Up and HomeTime.

What sports will you play in the sports sessions?

These sessions are run similarly to a Sport4Kids after school club. We tailor our sessions to the groups that attend whilst having continuity and structure.

Tuesday	Rugby	Tennis

What is wellbeing?

***This session follows on from the sports session and only children booked from 3.30-6.00pm will participate.**

The Wellbeing part of the class will be a combination of activities such as yoga, mindfulness, pilates and gymnastics, and non-active games such as arts, book, and lego clubs.

The 45-60 minute session schedule will be structured in the following format;

	15-20mins		40-45 mins
Monday	Yoga	+	Lego Club
Tuesday	Yoga (Mindfulness)	+	Arts Club
Wednesday	Yoga (Pilates)	+	Book Club
Thursday	Gymnastics (stretching)	+	Puzzles and Games Club
Friday	Yoga	+	Lego Club

At the end of the session one or two children will be invited to show or talk about what they have been working on before tidy up time.

What if my child doesn't want to join in the sports session?

We encourage all children to join in and give the session a try and find that once they do that they love it. However, we understand that the school day is a long one, especially for the youngest children and have colouring, reading and homework space for those who need some quiet time.

What food is offered?

Breakfast - Toast, various toppings, cereal selection, milk, fruit and veg.

After School Snack - Toast, various toppings, fruit and veg.

We are nut free. No food from home is allowed to be consumed due to allergy concerns. If your child has any allergies or dietary requirements please let us know.

What time does breakfast club start?

It has become obvious that there are a large number of parents who would prefer a 7.30am drop off so we will start S4K Breakfast Club at 7.30am.
