Newsletter – May Half Term Roundup 2022 SCHOOL NEWS

I think you'll all agree; yesterday's Jubilee Picnic was a superb way to end the first half of the Summer term. We must extend our thanks to Mrs Sumner for leading the singing which we hope you all enjoyed.

Thank you to all of our parents for your contributions to the tombola and cake stall and to all the Class Reps and members of our PTA for co-ordinating the event. The weather held and it was a pleasure to see so many happy parents and children, enjoying the afternoon together and finally being able to invite you into school to see the children's work. We wish you all an enjoyable half term.

Foundation Bus visit today

Foundation class enjoyed a visit to school from Benjamin the Arrival bus! They learnt about how to travel safely on a bus, and even got to sit in the driver's cabin! They asked the driver some great questions, and whether Benjamin the Bus was cheeky, like the bus in our story - Naughty Bus!

A huge thank you to Mr and Mrs Brooks for helping us this afternoon, and to Arriva for visiting us.

Year 5 and 6 were a hive of activity and I just had to capture their hard work. Here they are getting to grips with some Design and Technology work. Year 6 were honing their sawing skills whilst measuring out their wood for an automata toy. Year 5 were learning how to blanket stitch and sew on buttons. What a lovely way to spend the afternoon!

Hoppers Pickup

For the drop off and pickup of the Hoppers children from the preschool we ask that parents please use the door to the entrance of hoppers at the side of the school when dropping off and collecting children but when it is out of school hours then could you please come to the school office.

Covid Guidance Update

We have really appreciated the support from all our families with regards to testing, isolating and remaining vigilant as symptoms occur but fully take on board that not everyone will have access to tests or be prepared/able to afford to purchase them now they have become chargeable.

As the Government continues with moving towards personal responsibility, we would ask you to adopt your best judgement, for example, check your child/ren have no fever, no stomach bugs, and are generally well in themselves, etc.

We accept that the symptoms for each wave have become more varied making it difficult to judge if it's a viral infection or Covid but hopefully in time, we can gain reassurance from remaining vigilant and working together to return to more normal times. Thank you for your continued support.
