## SCHOOL NEWS

---

Dear Parents / Carers,

As we approach what is probably one of the busiest fortnights in the annual school calendar I want to thank the staff and pupils for their continued hard work, resilience and enthusiasm. We have experienced a fair amount of winter bugs in school this week affecting pupils and staff alike but the school community has rallied round to ensure that classes are appropriately supported and the children are not missing out on any learning or activities such as our Year 5 visit to the Church as part of *Christmas Unwrapped*, the visit from a Parliamentary representative on Monday to talk to our KS2 pupils about Democracy and the EYFS trip to their *Winter Olympics*. In addition, our Open Morning for prospective parents was well attended with really positive feedback about the information given and we have a further date planned for Friday 7<sup>th</sup> January if you know of any parents looking for a reception place for September 2022. Although we have had to scale back on some of the events planned for the rest of term or restricted numbers of guests, we are very much hoping to be able to continue with the Disco, Grotto, Christmas Service in church and the EYFS / KS1 Christmas production. Important upcoming dates are at the end of this newsletter.

Also a huge well done to Aariv in Year 4 who has been selected for County Training for Tennis within the 9 & Under age group. This is a great achievement and one that he should be very proud of!

Once a year we like to carry out a parental survey to ensure we are aware of the views of parents in relation to their children's education. A link to our parental survey is below and we would be very grateful if you would spend a few moments over the weekend completing it. We will share the results and feedback early next term. As ever, if you have any specific questions please do direct them via the school office.

With kind regards and best wishes for a lovely weekend,

Miss J E Garlick

### **School Crossing Patroller – Vacancy**

A vacancy has arisen for the School Crossing Patroller on the Valley Road to start from January 2022. This is a crucial role to fill to ensure children can safely cross the road and walk to meet their parents and it makes a huge difference in easing congestion by the school.

If you are interested in applying, in the first instance, please contact Georgina Longley for further details. This is a job share to work alongside the existing crossing patroller.

### **Unite the Uniforms Day**

On Friday 3rd December 2021, Hughenden joined schools, colleges, and universities across the UK to hold a unique non-uniform day in honour of the millions of people who have served in the NHS and emergency services. This is part of a campaign called #UniteTheUniforms for the @999Cenotaph.

The campaign saw children wearing the colours of the emergency services (red, blue, green or orange) and donating £1 towards building the UK's first 'Emergency Services Cenotaph' which is supported by His Royal Highness The Duke of Cambridge, the Prime Minister and First Ministers of Northern Ireland, Scotland and Wales.

Thank you to everyone who donated and took part and in doing so, recognising the importance of the work the emergency services do for us all. In total we raised £127 so thank you!

### **Christmas at Hughenden Church**

Hughenden Church are holding their Christingle Service on Sunday 5<sup>th</sup> December, 3pm – all welcome.

## Uniform

Full uniform including school shoes and ties should now be worn everyday. PE kit should now be brought into school and kept in school, NOT worn on PE days. The uniform list is here for anyone who wants a reminder: <https://www.hughendenprimary.co.uk/website/uniform> 1/

A reminder that the only jewellery that should be worn are stud earrings and a wristwatch. Please also ensure that any hair bobbles, bows or scrunchies are discreet and not 'fashion items.' These can be worn on Mufti days but are not part of everyday school uniform.

### **Permission to Walk Home**

Children in Upper KS2 (years 5/6), with permission from parents or carers, are able to walk home or to a meeting point – if you would like your child to do this and have not yet given consent to do so, please ask the school office for a form to complete or send an email to the school office. Please make sure your child knows the arrangements. This is for a long standing arrangement. For any last minute arrangements, please continue to notify us and supply a password if the person collecting is unknown to the staff.

### **Mobile Phones**

Children in Year 5 and 6 are allowed to bring in their mobile phones and must hand them into the school office on arrival. Before sending your child into school with their phone, please request the permission slip from the school office. Thank you.

Here are some of the fantastic designs.

#### **6) Hughenden Valley Village Hall Christmas Village Hall – Lollipop Lucky Dip**

A very big thank you to all parents that helped on Saturday - Karolina Comper, Dom, Shazia Younis, Deb Brown, Phil Andrews and Carlene Evans! It was a great community event which we were very happy to support.

#### **Feedback**

We would like to reach out to new and old parent/carers and get more parents involved. The more hands we have, the more money we can raise which ultimately benefits all children. Please speak with your Class rep for more information or email us and we can always speak with you or answer any questions you have. Please let us know of any feedback you have.

#### **Treasurer Role Vacancy**
