Dear Parents, Carers and Children

Music Lessons at Hughenden Primary School – Spring Term 2021

We are delighted to let you know that, starting from next term, Little Strummers will be offering music lessons at school. We will be teaching guitar and ukulele in individual, shared and group lessons. We study a wide range of musical styles and techniques as well as music theory.

Lessons will take place during the school day. Children will need a guitar or ukulele for lessons and also to practice at home. If you haven't got an instrument, we are happy to provide guitars or ukuleles for hire (free of charge, however a small refundable deposit will be requested) or purchase.

This is an opportunity for the children to gain practical experience of playing music and develop important musical skills; additionally, in a shared or group lesson, they will learn to work and play together in a fun environment and feel part of a musical team. We cover a wide variety of modern and classic rock and pop pieces as well as more traditional popular songs and classical pieces. We also work towards acoustic and classical exams.

Fees are £7 per shared (per child) and £11 per individual 20 minute lesson. Group lessons are £7 (per child, minimum of three children) per 30 minute lesson. Fees are payable termly in advance. This fee includes some of the music we will be studying, although study books may be required (e.g. tutor books, exam pieces).

We will also be running an after school ukulele strumming club. Fees are £5 per child per weekly hour long session.

If you would like to reserve a place for your child, please complete the form attached and return it to me at office@littlestrummers.co.uk as soon as possible. Alternatively, the completed form may be returned to school. Details are also found on the school website, <https://www.hughendenprimary.co.uk/website/clubs/50405>. Thank you.

If you have any questions or concerns, please do not hesitate to contact me. Thank you.

Kind regards, Helen

Helen
