Protect anything sharp and do not put anything sharp into the Toy box.

Too BIG for your Box ~ we will accept all suitable items of any size (please ensure soft toys are bagged to protect them)

The type of contents are indicated on the box top. In the case of toys & teenagers, additional information as to the suitability for boy or girl, along with age group is also indicated. A card with the sender's name and a photograph is also a nice thing to include.

Above all, the contents should be of good quality, remembering that the recipient will be opening the box in eager anticipation (as the writer observed when delivering boxes recently), and especially with the toys for the children, quite possibly the first real gifts they have received for a very long time.

Finally, kindly attach TWO £1.00 coins to each box to cover cost of box and transport to Eastern Europe.

Or make out a cheque or equivalent for £2.00 payable to The Rotary Club of Great Missenden and attach it to the box. Please do not place it inside the box.

Thank you for the pleasure your box will give.
