Dear Parents,

Cycling Instruction – Year 5

We are holding Bikeability Training with BeSpoke Cycling Instruction at Hughenden Primary School from Monday 26 March through to Wednesday 28 March 2018 for all of the children in Year 5. This is a very important life skill and we would encourage all children to participate.

The accredited cycling instructors from BeSpoke Cycling Instruction will be coming into school on to hold a short parent information meeting which will provide you with the content of the course and important aspects of the training. They will also have a short session with the children during the school day. We will let you know the time and date as soon as we have it, but it is likely to be at the end of the school day.

We receive part funding for this training from Bucks County Council but ask you to make a voluntary contribution of £10.00 to cover the remaining costs.

The children gain hugely from this crucial training and we hope you will support us in allowing them to take part by returning your payment and consent form to school by Friday 2 March.

Yours Sincerely

Sarah Leighton
