Working Together, Empowering Lives, Enriching Minds

8<sup>th</sup> May 2017

Dear Parents,

We are pleased to have Will Connelly (Maths Consultant) coming in again to our school to support us in our commitment to raising standards in Maths.

Parents are invited to observe or join in a practical demonstration by the children using the Inspire Maths scheme and resources.

This will be taking place on Tuesday 16<sup>th</sup> May at 2.30pm in the school hall. There will also be time for you to talk about Maths Mastery for your child's year group. Please note, however, we cannot talk about individual children.

Please complete the tear-off slip below and return it to the school office to confirm your attendance.

We look forward to seeing you there.

Yours sincerely

Jackie Churchman  
Maths Co-Ordinator
