Part 1

Part 2

ALL (no colour)

Jack & Jill	Went up the hill	
To fetch a pail of water	So they say	
The subsequent fall	Was inevitable	
They never stood a chance	They were written that way	Innocent victims of their story.

Like Romeo and Juliet, 'twas written in the stars before they even met.
That love and fate and a touch of stupidity, would rob them of their hope of living happily.
The endings are often a little bit gory [click, click, click]
I wonder why they didn't just change their story [click, click, click, click]
We're told we have to do what we're told but surely [Click, click, click, click, click, click, click]
Sometimes you have to be a little bit naughty.

Just because you find that life's not fair it Doesn't mean that you just have to grin and bear it If you always take on the chin and wear it	Just be – cause life's not Fair you don't have to Take it on the chin and wear it
--	---

Nothing will change, nothing will change.

Even if you're little you can do a lot, you Mustn't let a little thing like, little stop you If you sit around and let them get on top, you	E – ven if you're little Don't let it stop you Don't let them get on top, you
---	---

Might as well be saying you think that it's OK - and that's not right.

Cinderella	in the cellar
Didn't have to do	much as far as I could tell
Her Godmother	was two thirds fairy
Suddenly her lot	was a lot less scary

But what if you haven't got a fairy to fix it [Click, click, click]
Sometimes you have to be a little bit naughty

Just because you find that life's not fair it Doesn't mean that you just have to grin and bear it If you always take on the chin and wear it	Just be – cause life's not Fair you don't have to Take it on the chin and wear it

Nothing will change, nothing will change

Even if you're little you can do a lot, you Mustn't let a little thing like, little stop you If you sit around & let them get on top, you	E – ven if you're little Don't let it stop you Don't let them get on top, you
---	---

Might as well be saying you think that it's OK - and that's not right,
And if it's not right, you have to put it right.
But nobody else is gonna put it right for me, nobody but me is gonna change my story,
Sometimes you have to be a little bit naughty!
