

Hughenden Primary School

Working together, Empowering Lives, Enriching Minds

Monday 20th November 2017

Dear Parents,

Greatmoor Recycling Centre – Year 5 and 6 – Thursday 30th November

We are pleased to inform you that Year 5 and 6 have been invited to visit the Greatmoor Recycling Centre on Thursday 30th November after successfully winning the Big Bang Conference competition back in the summer term.

The fully accessible Visitor Centre is designed to promote and inform visitors about benefits of using waste to produce renewable energy as well as educating about waste reduction, reuse and recycling. The Centre is located on the third floor of the building, offering great access to the working plant and fantastic views of the surrounding countryside.

The children will travel via coach during the morning and return back to school in time ready for collection at the usual time of 3:30pm. The trip has been awarded to the children as a treat for winning the competition and therefore there is no cost involved.

Please could we ask you to provide your child with a packed lunch and warm clothing for the visit. We are entering the Greatmoor Waste competition to see who uses the **least** waste for their packed lunch. All of our waste packaging will be weighed! A representative from Greatmoor will be visiting the children beforehand to explain about the competition. No doubt they will pass this onto you!

Please ensure that you complete the slip below and consent form by Monday 27th November.

Yours Sincerely

Sarah Leighton
Headteacher

Greatmoor Recycling Centre – Thursday 30th November 2017

My child _____ in Year _____ will be participating in the trip to the Greatmoor Recycling Centre on Thursday 30th November.
