**SCHOOL NEWS**

---

Dear Parents / Carers,

Spring has definitely sprung and even though the heatwave we were promised for last weekend sadly did not come to fruition, I hope you all enjoyed a nice long weekend.

We would like to extend a warm welcome to Frankie-River in Year 1 and Charlie in Year 5 who have joined the school this term along with our new Hoppers children, Dollie-Rai, Thea and Muhammad.

Welcome also to Ms Plunkett and Mrs Walter to the Hughenden staff team who will be covering our Year 2 class this term.

I also want to wish our Year 6 children best wishes for next week as they sit their end of Key Stage 2 assessments. Good Luck - I know you will all do fabulously!

This half-term we are planning different events for the pupils which we are excited about and we are looking forward to welcoming you into school for our Jubilee celebrations just before half term. (more details below.)

Kind regards  
J E Garlick  
Interim Headteacher

### Covid Guidance Update

Following the April Newsletter sent out yesterday, we wanted to clarify our Covid stance in school now that LFT home kits have become chargeable.

We have really appreciated the support from all our families with regards to testing, isolating and remaining vigilant as symptoms occur but fully take on board that not everyone will have access to tests or be prepared/able to afford to purchase them now they have become chargeable.

As the Government continues with moving towards personal responsibility, we would ask you to adopt your best judgement, for example, check your child/ren have no fever, no stomach bugs, and are generally well in themselves, etc.

We accept that the symptoms for each wave have become more varied making it difficult to judge if it's a viral infection or Covid but hopefully in time, we can gain reassurance from remaining vigilant and working together to return to more normal times. Thank you for your continued support.

### Clubs

The Summer Clubs start running from 28<sup>th</sup> April – 15<sup>th</sup> July. We now have Mini Tennis, Kickboxing, Fencing & Archery and Gym club. The start date for Gym has been delayed by one week to allow for more bookings to come in. Unfortunately, football club has been cancelled for the Summer Term due to low take-up.

## Young Voices – Newsletter

On Tuesday 26<sup>th</sup> April, Y4 and Y5 went to the Wembley Arena to take part in this year's Young Voices concert, celebrating 25 years together! We had the fantastic opportunity to perform in one of the world's greatest arenas alongside some incredible artists. Over 4,000 children joined us to sing as one in a wonderful and magical evening performance. The show was a great success, with children and parents singing along to many well-known classics. Hughenden Primary School have worked incredibly hard this year to learn all of the songs! The children were very proud to showcase their talents and have loved the experience of Young Voices. A huge thank you to Mrs Sumner, Mrs Kittler, Miss Shabbir and Miss Orr for their support.

## Travelling Book Fair

We have scheduled our book fair offering "3 books for the price of 2" for week commencing 27<sup>th</sup> June 2022. Further details to follow.

Working together, Empowering Lives, Enriching Minds

28<sup>th</sup> April 2022

Dear Parents,

On Thursday 26th May, we would like to invite you into school to join us in celebrating the Queen's Platinum Jubilee.

Each year group has chosen a decade of Queen Elizabeth's reign and the majority of their learning that week will be based around it. On the Thursday, we invite the children to dress up in a style typical of that decade.

The decade choices are as follows:

Pre-school, Foundation + Year 1: 2020.

Year 2: 1990s

Year 3: 1980s

Year 4: 1970s

Year 5: 1960s

Year 6: 1950s

In the afternoon, at 2.00pm, we would like to invite you and your families into school to look at the work that the children have produced in the week, to hear songs, poetry along with whatever else staff and pupils have prepared to share!

To finish the day off, we would love it if you would bring an 'afternoon tea-style' picnic to share with your children on the school field (weather permitting).

If you/someone in your family is an enthusiastic cook or has a particular speciality and would like to make snacks to share with other families, then please let us know and we will provide a table for you.

As a staff team, we cannot wait to fill our school with all of the families that make up Hughenden Primary and we know that our pupils will be very excited and proud to show you around.

Best wishes,

Miss Garlick, Mrs Messenger and the Hughenden team.

### **Increase in scarlet fever and chicken pox**

We have been informed by Buckinghamshire Council of a recent national increase in notifications of scarlet fever and chicken pox. It is suspected that because of reduced mixing during the COVID-19 pandemic a larger proportion of children of reception and school year 1 age remain susceptible to both these infections.

There has also been an increase in the number of scarlet fever and chickenpox outbreaks linked to nurseries and primary schools reported to the health protection team since the beginning of March 2022, including some where both infections are co-circulating.

### **Signs and symptoms of scarlet fever**

Scarlet fever is a common childhood infection caused by *Streptococcus pyogenes*, or group A streptococcus (GAS). The early symptoms of scarlet fever include sore throat, headache, fever, nausea, and vomiting. After 12 to 48 hours the characteristic red, pinhead rash develops, typically first appearing on the chest and stomach, then rapidly spreading to other parts of the body, and giving the skin a sandpaper-like texture. The scarlet rash may be harder to spot on darker skin, although the 'sandpaper' feel should be present. Patients typically have flushed cheeks and pallor around the mouth. This may be accompanied by a 'strawberry tongue'. As the child improves peeling of the skin can occur.

Although scarlet fever is usually a mild illness, patients can develop complications, which may be more common if the child has had flu or chickenpox recently.
