

Hughenden Primary School

Working Together, Empowering Lives, Enriching Minds

Wednesday 01st March 2017

Dear Parent/Carer

Bonjour! Hola! We love languages is starting in Hughenden .

We love languages is delighted to offer multi language lessons in Hughenden during lunchtime.

We love languages is a multi-language club where the children will learn the basics, such as the alphabet, numbers, colours, basic words and phrases of different languages like Italian, Spanish, French , Latin ...

This club will also teach some cultural awareness, as it is now very important for the children to learn cultural diversity - all that in a fun environment!

The classes run separately from those offered in the National Curriculum to children in KS2. The programme is designed to enhance their learning skills and to challenge the children, which means that they excel in the language and develop their language skills to the highest level possible.

If you would like further information on days, times, start dates and to book a place, please call, email or return the slip below to ensure your child has a place, please detach and **return the reply slip below to the school as soon as possible.**

Please note the clubs will only take place if we have sufficient interest.

Each session will last for 30 minutes and cost £5 per week.

Hasta luego, à bientôt , a presto !
