

# Hughenden Primary School

Working Together, Empowering Lives, Enriching Minds

---

Thursday 13<sup>th</sup> July 2017

Dear parents,

As promised, our Year 5 class will be taking part in a 'Masterchef' themed week on the last week of the term during the afternoons only (week beginning 17<sup>th</sup> July 2017). Children will be learning how to make simple dishes and present them in a range of aesthetically pleasing ways. Moreover, they will have the chance to practise their team work skills, working with others to achieve a common goal. The children may even be able to utilise these skills for their families over the holidays!

For this to take place, donations of ingredients is vital and will allow this educational and fun packed week to take place. If you have some ingredients to donate we would be very grateful. Please bear in mind the 'use by' dates.

There will be a list of ingredients required for the Masterchef sessions by the front office. Please sign up by the end of this week.

Donations of these will be wonderful and the class would be extremely grateful.

Many thanks,

Miss Sleight
