

CHILDREN'S FILM NIGHT

Friday 24th February 2017

Disney's - ZOOTOPOPOLIS (PG) General viewing, but some scenes may be unsuitable for young children. Unaccompanied children of any age may watch, but parents are advised to consider whether the content may upset younger, or more sensitive, children.

The modern mammal metropolis of Zootopia is a city like no other. Comprised of habitat neighborhoods like ritzy Sahara Square and frigid Tundratown, it's a melting pot where animals from every environment live together - a place where no matter what you are, from the biggest elephant to the smallest shrew, you can be anything. But when rookie Officer Judy Hopps arrives, she discovers that being the first bunny on a police force of big, tough animals isn't so easy. Determined to prove herself, she jumps at the opportunity to crack a case, even if it means partnering with a fast-talking, scam-artist fox, Nick Wilde, to solve the mystery.
